ANUSHKA SHARMA

Kanpur, India | +91 9264959905 | sharmaanushka27072003@gmail.com

Objective

I am a dedicated and highly motivated graduate with Bachelor of Science in Information Technology. Currently, I am furthering my expertise through the Post Graduate Diploma in Computer Applications. Committed to continuous learning and skill development, I aim to acquire cutting-edge technical knowledge and build upon existing skills. I aspire to pursue a master's degree at an advanced level, driven by a strong work ethic and academic ambition. I am eager to engage in rigorous research and innovation, striving for excellence in both academic and professional endeavors.
